Doctor of Philosophy in Life Science (2024). Experienced as a mentor in Science. Fellow of World Science Congress.

**2026:** Currently a guest lecturer in Animal Science department of Kazi Nazrul University, Asansol, WB, India: Teaching both undergraduate and postgraduate students. Experience: ~1 year

Also a guest faculty in Netaji Subhas Open University, teaching Zoology to undergraduates.

### Fellowship

**Senior Research Fellow (Govt. of India)** on IT and Vector Biology(2020-2023):University of Burdwan

Former **Junior Research Fellow (Govt. of India)** on IT and Vector Biology(2018-2020).

**Qualified CSIR-UGC NET Life Sciences**, 2016 June: Qualified with both Lectureship and Junior Research Fellowship in first year of master's as the sole person from the class.

I'm experienced in Biology Research, Software Development, Research writing, and Analysis.

### CERTIFICATES/ LICENCES

- 1) **Cisco Certified** on "Computer Hardware Basics".
- 2) Super Earths and Life; By HarvardX.
- 2) Economic Democracy: The Cooperative Alternative; by EdinburghX .
- 3) Introduction to Linux; By LinuxFoundationX.
- 4) Introduction to Python for data science; By Microsoft.
- 5) **IBM Certified** on "Data Science Foundations".
- 6) **IBM Certified** on "Deep Learning Essentials".
- 7) **Cisco Certified** on "Introduction to Cybersecurity".
- 8) **Cisco Certified** on "Engaging Stakeholders for Success".
- 9) **Great Learning Certified** on "Project management".

### EDUCATION

**Ph.D in Zoology (Vector Biology+Information Technology)**

**M.Sc. in Zoology**, The University of Burdwan. Final Sem. GPA=8.87

**B.Sc. in Zoology**, Burdwan Raj College. First Class.

**Top standing in school (90%)**

**English Language Skills:** Perfect 100/100 score separately in Reading, Listening, Grammar and Vocabulary in a test conducted by British Council.

## **PUBLICATIONS IN PEER-REVIEWED JOURNALS**

**1. (Pre-print) “A study on the seasonal distribution of mosquito vectors and a multidimensional approach towards their eradication using perception surveys on mobile software with concepts of AI among college students in Purba Bardhaman, India”**

Bishnu Goswami, Sarmila Pal

**2. Introduction of two new programming tools in Bengali and measurement of their reception among high-school students in Purba Bardhaman, India with the prototypic inclusion of a vector-biology module.**

Bishnu Goswami, Sarmila Pal

**Education and Information Technologies (2022): 1-23. Springer-Nature Group (IF: 5.5)**

**3. Variation of Vermicompost Quality Produced by Different Earthworm Species using Rural and Urban Garbage.**

Bishnu Goswami, Nirupama Goswami and JagatpatiTah

International Journal of scientific research (ISSN 2247-8179) IF 3.58

**4. Use of software and extended precision of Finney’s table using probit analysis.**

Bishnu Goswami, JagatpatiTah

International journal of scientific research. IF 6.391(2015)

**5. A PRIMARY SURVEY FOR THE NOVEL SYNTHESIS OF METHODS TO COMBAT VECTOR-BORNE DISEASES AND RELATED LONG TERM MANAGEMENT**

Bishnu Goswami, Sarmila Pal, Deb Prakash Pahari

Asian Journal of Advances in Research. (Vol 5 Issue 4)

## **6. MULTI-PRONGED SURVEY AND PROTOTYPICAL INFORMATION TECHNOLOGY APPLICATION AGAINST VECTOR-BORNE DISEASE IN NOAKHALI, BANGLADESH**

Bishnu Goswami, Sarmila Pal, Kapil Ghosh

UTTAR PRADESH JOURNAL OF ZOOLOGY (Web of Science+UGC-Care Listed, ISSN: 0256-971X)

## **7. INTRODUCTION OF A NEW PROGRAMMING TOOL, BSM, FOR VECTOR BIOLOGY AND PUBLIC HEALTH AND MEASURING ITS LIKABILITY USING AN ONLINE SURVEY**

Bishnu Goswami, Sarmila Pal

International Journal of Entomology Research(Web of Science+UGC-Care Listed, ISSN: 2455-4758)

## **8. A CORRELATIVE STUDY OF MOSQUITO BREEDING HABITATS IN A RURAL REGION OF WEST BENGAL, INDIA**

Bishnu Goswami, Sarmila Pal

UTTAR PRADESH JOURNAL OF ZOOLOGY (Web of Science+UGC-Care Listed, ISSN: 0256-971X)

## **REVIEWER IN PEER-REVIEWED JOURNALS**

Acted as a double-blind peer-reviewer by invitation to a Springer Journal and another Web of Science listed Journal as an expert.

**1)Manuscript Title: Checklist of Indian fairyfly (Hymenoptera: Mymaridae) parasitoids - an Update**

**2) Manuscript Title: Analysis of millicompost and its effects on plant growth (2022)**

**3)Manuscript Title: The biocontrol activity of both *Bacillus thuringiensis* and *Beauveria bassiana* against *Spodoptera litura* and their toxic effect on the insect metamorphosis (2024)**

## CONFERENCE PRESENTATIONS

### 1) Variation of Vermicompost Quality Produced by Different Earthworm Species using Rural and Urban Garbage.

Bishnu Goswami, Nirupama Goswami and Jagatpati Tah

International Journal of scientific research (ISSN 2247-8179) IF 3.58

### 2) Development of awareness for conserving natural flora special emphasis with the medicinal plants and their proper commercial utilization in Indian sub-continent.

Bishnu Goswami

Poster, World Science Congress 2015

**3) BScript- A new interface software for quick development.**

Bishnu Goswami

International Science Congress association Abstract book. (8th and 9th Dec, 2015)

**4) Innocuous encryption using images.**

Bishnu Goswami

Poster, World Science Congress 2016

**5) Use of software and extended precision of Finney's table using probit analysis.**

Bishnu Goswami, JagatpatiTah

International journal of scientific research. IF 6.391(2015)

**6) Transgenic Fish**

National Conference on Advances of Life Sciences and Radiation Biology, the University of Burdwan(joint)

**7) Automated Questionnaire Using Fischer-Yates Shuffle**

Poster, International Science Seminar, organized byBurdwan Raj College and Indian Chemical Society

**8) Affordable Hardware and Approachable Software in ICT for development.**

Poster, 2nd regional Science and Technology Congress, West Bengal

**9) Inventory Manager-Autonomous Technology for Laboratories.**

Poster in Shyamsundar college seminar "Science: Past, Present and Future"

**10) Interfacing technological systems in software for affordable public health solutions.**

Oral Presentation in "International Conference on Frontiers in Biological, Environmental and Medical Sciences, Burdwan 2018".

**11)BBTech- A beginner oriented coding tool for Biotechnology.**

Poster in the international conference "Biotechnology: A paradigm shift in Health and Agriculture", organized in Adamas University.

**12) Progressive Web Apps and Web Assembly in the Biology of Tomorrow.**

In the Golden Jubilee International Conference on Trends in Zoology, 2019.

**13) The relevance of some ancient dominant texts in modern biodiversity management**

Oral Presentation in the 'Seventeenth Annual Conference of Bharata Vidya Charcha Kendra', 2019.

**14) C-Pterido: A prototypic software platform for Pteridophytic identification using external keys.**

In the International Conference on 'Next Generation Pteridology: The Indian Perspective", 2019.

**15) Culture, society and politics: Is there a new colonial period?**

In the ICSSR sponsored National Conference on Culture, society and Politics: Colonial and post-colonial period, 2020.

**16)Further developments of C-Pterido**

In the XVI Conference of the Indian Fern Society, 2022

**17)The use of Bongojontro for budding researchers in chemistry**

In the Virtual Conference on Chemistry and its applications, endorsed by IUPAC, by University of Mauritius 2022

**18) Evolving scopes of Information Technology and social inclusion for vector-borne disease elimination**

Oral presentation in 2-day national seminar "Popular and Basic Sciences: A quest towards foundation of science" organized by Sarat Centenary college, Dhaniakhali, Hoogly, W.B, 2022.

**19) Ferns against the deadliest of man's enemies: Creating a geospatial dashboard**

Oral presentation in 3-day national XVII Annual conference of The Indian Fern Society being organized by Mansarovar Global University.

**20) Mitigating crisis and enhancing sustainability through the equitable framework of the Bongojontro software**

Poster presentation in the 3-day international seminar entitled "9<sup>th</sup> International Conference on Environment and Ecology" held in the University of Burdwan, 2023.

**21) Betel leaves: Greater roles in public health and climate change preparedness.**

Oral presentation in 3-day national conference organized by the Ladakh University in collaboration with AYUSH

**22) Dharmasashtras, guide to sustainable prosperity**

Oral presentation in 2-day international seminar organized by the Dept. And IQAC, Katwa College.

## WORKSHOPS/ WEBINARS/SEMINARS ATTAINED

### 1) Induced Breeding & larval rearing of Indian Magur

Held in the University of Burdwan, 2017.

### 2) 2-day International Webinar on “Aquatic Ecosystem: Prospect and Future Challenges”. Organized by Presidency University, 18-19 July, 2020.

### 3) British Indian Psychiatric Association webinar on “Social inequalities and mental health”, 2020.

### 4) Global Young Leaders (Amsterdam, Netherlands) and others on "Importance of Education and Educators", 2022.

## PROFESSIONAL WORK

**Developer in Amazon store** as App-Developer (2014)

**Developer in Slide Me Store** as App-Developer (2014)

Developer in many other app-stores. Now maintains a non-commercial site (bishnu.itch.io).

## PARTICIPATION AS A TEAM

### 1. Participant in the Harvard University Puzzle Week as a member in a four-person team.

Other three members were from Germany, USA and Egypt.

### 2) Co-Developer of unreleased SNIPER Windows game demo.

### 3) Participant in Entrepreneurship Cell, IIT KGP 2018

## INVITED LECTURES

### 1) Delivered an Invited Lecture on the topic “Biological evolution” during the celebration of International Museum day at Burdwan Science Centre, National Council of Science Museums, Ministry of Culture, Government of India.

### 2) Delivered an Invited Lecture in the context of Ecology during the celebration of International Museum day at Burdwan Science Centre, National Council of Science Museums, Ministry of Culture, Government of India.

### 3) Delivered an **Invited Lecture** on the topic “Past and Future: Mosquito control following the legacy of Vidyasagar” in **Gandhi Ashram Trust, Noakhali, Bangladesh**, 2019.

### 4) Delivered an Invited Lecture on the topic "A bottom-up approach for public-health development utilizing artificial intelligence and BSM coding" as a resource person in ENDEV 08, 2021, organized by Flora and Fauna Asia group in collaboration with DRISHTICON organization.

- 5) Delivered an Invited Lecture on the topic "Sustainable eradication of vector borne diseases" on the occasion of Earth Day, 2021, organised by Digha Science Centre & National Science Camp
- 6) Invited by the World Science Congress to deliver a talk in the 12th International Science Conference, Ram Manohar Lohia Hospital, New Delhi on "Pandemics and Social Disaster" (2022)

## MENTORING AND VOLUNTARY WORK

- 1) Voluntarily Mentored the innovation hub students on the project "Biology and Computing" at Bardhaman Science Centre, National Council of Science Museums, Ministry of Culture, Government of India(**12 months**).
- 2) Successfully created two software applications in the innovation lab: Poison-Snakes and MosaDomon, aimed at social welfare.
- 3) Contributed to the Centre for Research Studies and Development with content such as "Not only Corona"(<https://crsdngo.blogspot.com/2020/05/not-only-corona.html>).

## HONORS / AWARDS

- 1) World Science Congress, Delhi 2015- Presentation 1st Position
- 2) International Science Congress Association, Nepal, Dec 2015- Oral Speaker
- 3) World Science Congress, Kolkata 2016- Presentation 1st Position
- 4) International Conference on Frontiers in Biological, Environmental and Medical Sciences, Burdwan 2018- Oral Speaker- Best Presentation
- 5) College cultural Fest Event- 3rd prize
- 6) College Poster Presentation with external judges- 2nd Prize
- 7) Inter-college competition-Guskara College- Debate 3rd position
- 8) Inter-college competition-Guskara College- Quiz 2nd position
- 9) Science Fair Finalists- University finals-Debate 2nd position
- 10) Science Fair Finalists- University finals-Quiz 2nd position

## MEMBERSHIPS / AFFILIATIONS

- 1) Active member of the **Society of Mental and Rhetorical Training**, which was created by Dr. S. Mohan, Former District Magistrate, Burdwan (2013-2020).
- 2) **Life Member: World Science Congress**
- 3) Member of Innovation Hub, Burdwan Science Centre, National Council of Science Museums, Ministry of Culture, Government of India for 2017-18 session.
- 4) Regular contributor to Quora, inc.

## SOFTWARE DEVELOPMENT (NONCOMMERCIAL)

Have created and published numerous software. Some of these software are-

- 1) Advanced Education apps (Example - BQuiz)
- 2) Development apps (Example - BScript)
- 3) Management Apps (Example - Library Manager by Bishnu)
- 4) Educational Apps (Example - Rock Paper Scissors- Making a simple game)
- 5) Games (Example- SpaceGun)
- 6) Research Tools (Example- FishMeal calculator, Knowfish(Alpha))
- 7) Statistical tools (Example- FinanceStat )
- 8) Special Device Applications (Example- Various ports of own software to the hacked Kindle Platform)
- 9) Remakes(Example-A prototype recreation of the LOGO programming language )
- 10)Developer of a **programming language in Bengali using English Script.**
